Subject: 4875-WR-3 renewal

Mr. Solaimanian

In regards to permit renewal 4875-WR-3, I would like to request a 30 day extension of time to submit the additional information. The consulting engineer just came back from vacation and I will be out of the office from Oct 11 to the 19. As the operator of this facility, we will be working with the engineer to compile the necessary documentation and information. Thank you for your consideration in this matter.

Regards
