Re: Renewal Application / Legacy Estates Homeowners Association
Permit No 4890-WR-2

Dear Dr. Solaimanian,

On behalf of the permittee for the above referenced facility, I would like to request an extension of time to submit the completed permit application for this facility. This facility is finalizing the transfer of ownership to our entity Legacy Utility this month and we plan to submit the renewal paperwork with the permit transfer form at the same time. We do not have the final closing date on the property transfer but I believe it will be around May 15. Therefore, I would like to get the extension to May 30, 2020.

Thank you for your attention to this matter. If there is any further information you require feel free to contact me directly.

Regards

Kathy Bartlett
