Re: Permit No.: 4893-WR-2; AFIN: 04-01642

Dear Mr. Smith:

The application for a permit was received on 6/27/2011. In accordance with Department policy, your application has been reviewed and determined to be incomplete due to the following deficiency:

1. The permit application did not contain a proper Waste Management Plan. The Waste Management Plan must contain application rates and must be stamped and signed by a Professional Engineer registered in the State of Arkansas. Please submit a Waste Management Plan for your facility.

Information to satisfy the deficiency must be received by the Department no later than **August 27, 2011** before processing of your application can begin. Failure to submit the required information will result in your application being returned.

Upon receipt of the information requested, your application will be determined to be complete, and processing of your application will begin.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Stephen Hogan of my staff at (501) 682-0651 or by email at [hogan@adeq.state.ar.us](mailto:hogan@adeq.state.ar.us).

Sincerely,

Rick McConnell  
Engineer Supervisor
