Mayor, City of Cave Springs

Re: Cave Springs' Pre-application for Recommendation on Sewer Funding

Dear Mayor Smith:

On May 2<sup>nd</sup>, the Water/Wastewater Advisory Committee (Committee) reviewed your pre-application for funding of extension of service to 54 customers in downtown Cave Springs. The Committee was unable to make a recommendation on funding because of the following comment:

The Arkansas Department of Health has written a comment letter dated April 23, 2012 on this project. The comments will have to be answered to their satisfaction before the Committee will provide a recommendation letter on this project.

The Water/Wastewater Advisory Committee meets the first Wednesday of every month with a cut-off date of the 15th of the prior month to make the agenda. For your project to make the June agenda, you will have to submit your responses to these comments by May 15th. If we have not received a response to these comments within 90 days of this letter, you will have to reapply to WWAC when the project is ready to proceed.

We appreciate your cooperation with this pre-application process. If you have any questions or comments, please give me a call at the above telephone number.

Sincerely,

A handwritten signature in cursive script that reads "David Fenter".

David Fenter, Chairman  
Water/Wastewater Advisory Committee
