RE: Permit Track No.: 4908-WR-2; AFIN: 04-01681

Dear Mr. Cook:

The Office of Water Quality (OWQ) received a letter from your operator on May 23, 2018, requesting a 30-day extension to complete the nonmunicipal domestic treatment works (NDSTW) information outlined in the Schedule of Compliance of your permit. According to the letter from your operator, the required NDSTW information will be submitted by July 1, 2018. Based on this information, the OWQ understands the required information will not meet the deadline in your permit. Please be aware, the NDSTW information will be considered late and the required information needs to be submitted as soon as possible.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Colby Ungerank of my staff at (501) 682-0047 or by email at ungerank@adeq.state.ar.us.

Sincerely,

Caleb J. Osborne
Associate Director, Office of Water Quality
