RE: AFIN: 72-01805; No-Discharge Permit No.: 4957-WR-3

Dear Ms. Chisholm:

The application for a no-discharge permit was received on July 20, 2018. In accordance with Department policy, the application has been reviewed and determined to be administratively complete. As this application was received fewer than 180 days from the expiration date of the previous permit, this application will be treated as a new issuance. Because of this, the previous permit, 4957-WR-2, will expire on December 31, 2018. The application has been assigned permit number 4957-WR-3. Please refer to this number in any future correspondence concerning this application.

Pursuant to Act 163 of 1993 the public notice must be given for all permit applications submitted to this Department. On the reverse of this page is a public notice which will be published by ADEQ in a local newspaper of general circulation for one (1) day only. Regulation 8.2.1.4 (c) requires the applicant to bear the expense of the notice's publication and provide proof of payment of the publication. An invoice for the cost of publishing the public notice and proof of publication will be sent to you by the advertising newspaper. The permittee must send **proof of publication and payment** to the Department as soon as possible but no later than 30 days from the above date. Until this Department receives proof of publication of the public notice, no further action will be taken on the permit application.

Information on public notice requirements is included with this letter. Additionally, a permit fee is required by Act 817 of 1983, as amended, and Act 1254 of 1993, as amended and Regulation No. 9. Your fee will be in accordance with the fee schedule contained in Section 7 of Regulation No. 9 and an invoice will be sent to you.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Timothy Byrne at (501) 682-0648.

Sincerely,
