## PUBLIC NOTICE OF DRAFT NO-DISCHARGE PERMIT PERMIT NUMBER 5071-WR-1 AFIN 12-00456

This is to give notice that the Arkansas Department of Environmental Quality (ADEQ) Water Division, 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317 at telephone number (501) 682-0648, proposes a draft renewal of the permit for which an application was received on 9/22/2014, with additional information received on 10/10/2014 and 1/21/2015, for the following applicant under the Arkansas Water and Air Pollution Control Act.

Applicant: JM Oilfield Service, Incorporated, 4 Melody Ln, Quitman, AR 72131. Location: 4 Melody Ln in Cleburne County; Latitude: 35° 22' 20" N Longitude: 92° 10' 16" W. For a more detailed description of the location of the facility refer to the waste management plan, which may be accessed by searching the permit number listed above at the following website:

## http://www.adeq.state.ar.us/home/pdssql/pds.aspx

This permit is for the operation of storage facility used to store fluids generated from a drilling truck washout. Fluid, from washing the interior and exterior of the trucks, allowed for storage at the facility includes fresh water with residuals of water based drilling mud, drill cuttings, produced water, completion fluids, frac water, workover fluids, oil based drilling fluids, synthetic drilling fluids, flow-back water, bentontitic clays, chemical additives, barite, foaming agents, lubricants, sand or emulsifiers, fluid with a chloride concentration greater than 3000 ppm, or other fluids that may be used or wasted from drilling operations.

ADEQ's contact person, Katherine McWilliams, may be reached by the phone number and address noted above, or at ADEQ's address Water-Draft-Permitemail at Comment@adeq.state.ar.us.

The end of the comment period is 30 days after the publication date at 4:30 P.M. Central Time. If the last day of the comment period is a Saturday, Sunday or legal holiday, the public comment period shall expire on the next day that is not a Saturday, Sunday or legal holiday. For information regarding the actual publication date along with the actual date and time the comment period will end, please contact Katherine McWilliams at the above address and telephone number or by email at Water-Draft-Permit-Comment@adeq.state.ar.us. The staff member listed above may be contacted for the actual publication date and the exact date and time for the comment deadline. Comments and public hearing procedures may be found at Regulation No. 8 (Administrative Procedures). All persons, including the permittee, who wish to comment on ADEQ's draft decision to renew the permit, must submit written comments to ADEQ, along with their name and mailing address. After the public comment period, and public hearing, if one is held, ADEQ will issue a final permitting decision. A public hearing will be held when ADEQ finds a significant degree of public interest. ADEQ will notify the applicant and each person who has submitted written comments or requested notice of the final permitting decision. Any interested person who has submitted comments may appeal a final decision by ADEQ in accordance with the Regulation No. 8.
