my priorities are with the safe water values of the Buffalo River. As a writer and teacher in Fayetteville I want to support those who are against pig farm so near the Buffalo.

Not seeing the fawn

I am writing a couple of sentences about the winter

And still not seeing the fawn

holding my breath

I am sure John would feel the same way

if he were here.

... still not seeing the fawn.

I am afraid you are still not seeing the fawn. Sincerely, Rebecca Newth
