Questions Comments:

I'm writing this to you concerning the Buffalo river and C&H hog permit. I'm asking you to please revoke the permit and close the hog farm. I'm asking as someone who vacations in Arkansas every year. I bring my family specifically for water recreation and purity. Living in Illinois our water has become so polluted we refuse to drink our tap water. Doing the right thing isn't easy but it's best. Clean water is becoming a commodity people will pay for. Especially in states like mine. Do better then your neighbors Arkansans. You ll be glad you did. Thank you!
