Dear Ms. Keogh:

This letter is submitted on behalf of the Arkansas Environmental

On May 25, 2016, the Arkansas Department of Environmental
Quality (ADEQ) issued a letter of that date to Mr. Jason Henson of C&H
Farms, Inc. (C&H), informing him that the agency had determined that
C&H's application for a No-Discharge Permit had been determined to be
administratively complete. Public Notices to the same effect were
published in various newspapers, providing notice to the public of
opportunity to request a public hearing on the determination of
administrative completeness.
