We the people do not want this pig run off and destruction of the Buffalo River forever. Is this going to be your legacy as the GOv???? You can stop it, once its gone, its gone forever. I go alot and we have family events there. Already there is damage to the purity of the river. THIS WILL BE YOUR LEGACY for our state!!!! Let us, the people vote. I do not know 1 person who is for it but YOU and the Pig farms. \$\$\$\$\$\$\$\$\$\$\$\$\$\$

Ashamed of you if you allow this.
