I may have been unclear. At the link you provided, there is a search box in the top, right-hand corner. If you search for BRWA or Watkins, you will find links to all communication from Mr. Watkins and BRWA (separately) on this permit.

The comments as well as the appendices are at that link. Mr. Watkins's email is the last page.

Ms. Deardoff,

Thank you for your prompt response. The link provided takes me directly to our comments. How are the appendices accessed? Also, I'm curious as to why Mr. Watkin's e-mail with the attachments is not listed with the rest of the comments at this link:

https://www.adeg.state.ar.us/home/pdssql/p_permits_online_npdes_additonal.aspx?PmtNbr=5264-W&Category=PermitInformation&Title=Permit%20Information

We would like for folks that are browsing comments at the above link to find ours as well. Appreciate your assistance.

Ms. Deardroff;

Although we received this confirmation from you that ADEQ received the BRWA comments and appendices, I haven't been able to locate them on the ADEQ website. Perhaps I've overlooked them. Can you check for them please?

Thank you,
