C&H Hog Farm is owned by Philip, Richard & Jason who I believe are all ethical farmers and men of integrity. I feel that they are doing everything to protect the land and environment. Each of them have family lineage for many generations from Newton County, Arkansas. They deserve to own and operate their hog farm on their own land that they pay county and state taxes on. I don't believe they would do anything to compromise the land or the Buffalo River. They have also complied with all requests and testing ask of them.
