Governor Hutchinson & ADEQ:

My name is Scott Coleman, as a long time resident, U of A graduate, who in 1982 married my bride of 34 years at the foot of Hemmed In Hollow Falls, please take action to deny the Regulation 5 for the C&H swine farm. Deny it for the long term good of our state, families, visitors and our future.

Please step up and do the right thing. Let's find a better way.
