after I wrote prior cards.
^{opportunity} to speak to the owner

- why is Cd H Farm being the only farm subjected to this process.
- why are the chicken farms in the area not being regulated?
- Why are both sides of story being told?
- Who is funding the alligence? is Tyson Foods funding this ^{going on this creek?} to cover for their waste that is
- why is only one farm being targeted

Is the CdH Hog Farm Inc still "owned" by a company from Colorado but using a local farmer.

Why no monitoring for biological pathogens in the area?

Why no monitoring? CdH has already proven that they believe that they are going behind the laws and regulations. I feel that monitoring should take place since they are already not following regulations.

What fail safes are being put into place for leakage to get into the water table in the area?

If there is not a discharge,
and it is spread on ground
will it not flow down into water?

Why is the expert unable to answer
the questions ~~per~~ presented?

He has show again and again
he is un familiar with area.
