Subject: C & H Hog Farms, Permit 5264-W
Date: Thursday, April 06, 2017 4:22:56 PM

I whole heartedly oppose the granting of a permit for the C&H Hog farm for continued land application. ADEQ is charged with protecting state environmental resources. I can't think of a natural resource more deserving of protection.

I will be out of the office for a Division Meeting until Friday 4/7/17. I will be periodically checking email and voicemail during that time.

Thanks,
Chris
