Thank you. I found the email address in the PDF of the notice posted on your site. But the clickable link email address is incomplete in the PDF -- probably because the address breaks across lines in the text.

Thanks.

Mr. Williams,

Thank you for your concern regarding the email address. We tested the email link that is located in the public notice document found on our website by searching the permit number in the ADEQ Facility and Permit Summary Database (PDS), and the email address was complete on this document. The following is the link to PDS: <https://www.adeq.state.ar.us/home/pdssql/pds.aspx>.
