**Subject:** Permit #5264-W  
**Date:** Tuesday, March 14, 2017 7:50:26 PM

---

Please do not grant this permit to the C&H hog facility on Big Creek. Evidence of current discharge into the watershed is being ignored and already the Buffalo River is being contaminated. Allowing this to continue will ruin one of Arkansas's most precious natural gems, certainly one of my favorite places on earth. Please do not commit an atrocious crime against our Natural State by granting this permit.

Sincerely,  
Deb Bartholomew  
300 Jonathan Dr  
Bentonville AR
