Subject: Stop the C&H Hog Farm Permit
Date: Monday, March 13, 2017 8:59:59 PM

ADEQ leadership,

I have asked our governor to use his power to ensure that the C&H hog facility be denied a permit. Such a large operation should never have been placed so near Arkansas' crown jewel the Buffalo National River. ADEQ, you are taking a big risk at the expense of all of us by allowing this facility to operate on karst near the Buffalo River.

Sincerely,

Doug McKinney
