Stop ADEQ from issuing a Reg 5 permit to the industrial swine operation on Big Creek on March 17th. Do it out of respect for the Arkansans who came before you who fought to protect it. This is riding on your shoulders.

The Buffalo River is the best part of Arkansas. With Trump gutting the EPA, who knows how clean our state will be.
Please do what you can to preserve our Buffalo River.

Thank you.

Diane Payne
Monticello, AR
