**Subject:** Permit for Hog Farm located on tributary of the Buffalo National River  
**Date:** Saturday, March 04, 2017 10:06:07 AM

---

Hello,

As a State employee and employed in the role of representing and protecting our natural resources I would be remiss in my duties in community outreach to not voice my opinion that this permit should not be granted.

Kindest Regards,  
Julie Lovett
