**Subject:** [BULK] our Natural State  
**Date:** Sunday, March 05, 2017 8:48:08 AM

---

The Buffalo River is a sacred treasure and we should do everything in our power to keep it pristine. We depend on it for survival. There is a reason we are called the Natural State. Please do not issue a permit 5 allowing an industrial hog farm on Big Creek.

Sincerely

John Rankine

Eureka Springs, Arkansas
