**Subject:** [BULK] Please Deny Regulation 5 Permit  
**Date:** Friday, March 31, 2017 11:12:35 PM

---

Please deny the Regulation 5 permit for the C&H swine factory in the Buffalo River watershed. This industrial operation will no doubt do damage to the geologically sensitive environment of the first national river. Any failures or long term degradation risks a \$62MM tourism industry in one of the poorest areas of our state. Please deny it because it makes economic sense and because the potential negative repercussions could impact generations to come.

Thank you.
