Questions Comments:

I have never been a fan of having a hog farm upstream from the Buffalo River. I understand C & H's permit is up for renewal, and as a taxpayer, voter and concerned citizen, I would like to voice my opinion that it should not be renewed. I do not believe it should have ever received a permit in the first place. I don't think we, the people, have done a very thorough job of researching the area before permitting a hog farm to locate so close to the Buffalo River. Kevin Feeler
