Subject: Please Keep the Buffalo Clean!

To whom it may concern,
Please don't give C & H this permit! The Buffalo River is too precious of a resource to allow that much waste to enter it. Many small businesses depend on the Buffalo and its cleanliness for their livelihoods each year - please, think about them. The Buffalo River should be preserved, treasured and never comprised. Our children and our children's children should be able to experience it the way it is now - clean and respected!
