Subject: No more hog farm permits
Date: Monday, March 13, 2017 8:19:46 PM

Please stop allowing the hog CAFO C&H to have permits. There is too much waste for this delicate carst topography to handle. I live at the Headwaters to the Buffalo National River and I want the entire watershed to be protected and a jewel for my grandchildren's children to enjoy.

Thank you.

Sincerely, Kate Kuff

Newton County Resident and land owner
