Subject: Save Our National River
Date: Sunday, March 05, 2017 7:19:24 AM

Governor Hutchinson:

Please do everything you can to save our national river - this is so important! Stop ADEQ from issuing a Reg 5 permit to the industrial swine operation on Big Creek on March 17.

I urge you to do this out of respect for the Arkansans who came before you who fought to protect it. The future and salvation of this river is riding on your shoulders.

Thank you.
