Subject: [BULK] Regulation 5 permit for the C&H swine operation
Date: Wednesday, March 29, 2017 8:03:19 PM

I strongly encourage the ADEQ to deny this permit in the watershed of the Buffalo River. This is clearly one of the most ecologically sensitive areas of our state not to mention the tremendous tourism impact of the Buffalo river. It is far more important than any one company's operation or politics. Please do the right thing and DENY THE REGULATION 5 PERMIT FOR THE C&H SWINE OPERATION.
