---

I respectfully request you allow C & H Farms the right to do business without harassment. I have watched these lawsuits and contestant attacks on a business that has one of the most proven efficient operations I have heard of even under a microscope. Let these farmers do business and allow them to make a living. Please allow them to keep food cost low and stop over regulation.

Respectfully,

State Senator Linda Collins-Smith  
District 19  
P.O. Box 90  
Pocahontas, AR 72455  
870-378-1434
