Subject: [BULK] Please save the Buffalo River, Our National Treasure
Date: Wednesday, April 05, 2017 11:33:41 AM

I have loved the Buffalo long before moving to AR in 1981. The Buffalo and other natural beauty in our state is a big reason I moved here. Please deny the Regulation 5 permit for the C&H swine factory in the Buffalo River watershed.

Thank you.

Sincerely,
Lucy H. Sauer, MD
