

Dear Arkansas Dept of Environmental Quality

I'm part of the #WomensMarch movement.

I'm from America

and I'm concerned about

The Buffalo National River

Here's why:

Clear water is essential

Please DENY C+H hog

farms permit 5264-w

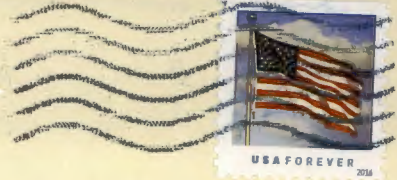

they need to STOP
polluting the water

In the first 100 days of the new
administration, I hope that you understand
and take these concerns seriously.

Sincerely,

72118-531798
