Subject: Buffalo River and the Hog Farm
Date: Tuesday, March 14, 2017 1:52:14 PM

I am writing to voice my concern about the new regulation 5 operating permit which the ADEQ is likely to grant to the C & H hog farm. I am an Arkansas resident. I regularly hike the trails on the Buffalo and kayak the river in the summertime. I request that the new operating permit NOT be granted. The very least you can do is monitor this hog operation closely.
