Kathleen and Jamal,

Attached are the additional comments from NPCA members and advocates from March 21 through today. This brings our total number of comments to 18,422. You will note there are two files. One contains the standard message. The second contains individual comments bringing that total to 1500.

Please acknowledge receipt of this email. Thank you so much for the opportunity to comment on C&H's application for a Reg. 5 permit.
