

Governor Asa Hutchinson
State Capitol Room 250
500 Woodlane Ave.
Little Rock, AR. 72201

Date: 4/10/18

Dear Governor Hutchinson,

I trust you are in support of ADEQ's decision to not grant a Reg. 5 permit to the ill sited hog factory farm in the Buffalo River Watershed.

Closure of C& H seems to be the only solution towards perseveration and protection of the Buffalo National River. I hope you will find a way to help the owners to move forward.

Swine concentrated feeding operations (CAFOs) simply do not have a place in the sensitive karst terrain of the Buffalo River watershed where hundreds of families depend upon the health of the Buffalo River for their livelihoods.

Sincerely,

Signature Paula D Gaspar
