**Subject:** Buffalo River Hog Farm Permit  
**Date:** Friday, March 31, 2017 3:59:01 PM

---

To issue a permit for the hog farm is an assault on nature. It could not only despoil the beautiful river but would impact the lives of thousands of people who visit the river and who bring much needed tourist dollars to an area that is economically deprived. Placing a hog farm in this area should never have been considered. It seems that money talks to politicians.
