Deny the Regulation 5 permit for the C&H swine factory in the Buffalo River watershed.

This was obviously no "family farm" to begin with, and the approval process that initially allowed this CAFO was not appropriate in the first place.

I have lived in Arkansas for 25 years (Fayetteville). I grow angrier every time our state government pulls something like this - ignoring and disrespecting constituents (talking to you, Governor: NO GUNS ON CAMPUS).

Shame on you all for even allowing this in the first place.
