**Subject:** [BULK] Reg 5 Permit  
**Date:** Wednesday, March 01, 2017 11:28:25 AM

---

Please do not issue a permit to the industrial swine operation on Big Creek! Please save our rivers and our land. The Buffalo River is a second home to my family for generations and I want to be able to take my children there and they to take theirs and experience the joy and love that I do.

PLEASE DO NOT ISSUE A REG 5 PERMIT!!!!

Sincerely  
Wendy Pierce-Cathey
