Re: Annual Permit Fee

Arkansas Department of Environmental Quality

Dear Mr. Ungerank:

The annual permit fee for EC Farms is currently due.

As you aware, ADEQ required EC Farms to remit a \$200 permit fee for the issuance of a new permit. Upon appeal, the Newton County Circuit Court ruled in EC Farms's favor that the issuance of a new permit number was not required. EC Farms never received a refund from ADEQ for the \$200 permit issuance fee. Per your phone conversation with Jason Henson on November 14, 2019, please apply the \$200 owed to EC Farms toward the payment of the annual permit fee that is currently due.

Please let me know if you have any questions.

Respectfully,
Ellis Campbell
