RE: Cognizant Official Change  
NPDES Permit No. AR0000752, AFIN: 70-00040

Dear Mr. Withrow:

This letter is written in response to the submittal of documentation that the Cognizant Official for the subject permit issued to El Dorado Chemical Company has been changed to David Sartain, Environmental Coordinator. The facility is currently covered under the NPDES Individual Discharge Permit Number AR0000752. The Department understands that this request is for a change in the Cognizant Official only.

All pertinent information has been updated in the Department's records. The new Cognizant Official must read, understand, and comply with all the requirements of this permit. If you have any questions concerning this matter or need additional information, please feel free to contact Loretta Reiber, P.E., Permit Engineer, of my staff by email at [reiber@adeq.state.ar.us](mailto:reiber@adeq.state.ar.us) or at (501) 682-0612.
