

CHEMICAL COMPANY

September 6, 2013

Mo Shafii
Assistant Chief, Water Division
Arkansas Department of Environmental Quality
5301 Northshore Drive
North Little Rock, AR 72118-5317

Dear Mr. Shafii:

As required by the Pipeline Permit AR0000752 (Part III, Condition No. 2), we are making notification to ADEQ that the first discharge to the pipeline is scheduled to occur Monday, September 9, 2013. The department was notified on Tuesday, September 3, 2013 that our first discharge would be Friday, September 6, 2013. There has been a delay, and the date has been pushed back a few days.

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Sincerely,

A handwritten signature in blue ink that reads "Greg Withrow".

Greg Withrow
General Manager
