RE: Cognizant Official Change
NPDES Permit No. AR0000752, AFIN: 70-00040

Dear Mr. Withrow:

This letter is written in response to the submittal of documentation that the Cognizant Official for the subject permit issued to El Dorado Chemical Company has been changed to Kelly Olivier, Environmental, Health, and Safety Manager. The facility is currently covered under the NPDES Individual Discharge Permit Number AR0000752. The Department understands that this request is for a change in the Cognizant Official only.

All pertinent information has been updated in the Department's records. As a new Cognizant Official, Ms. Olivier must read, understand and comply with all the requirements of this permit. If you have any questions concerning this matter or need additional information, please feel free to contact Loretta Reiber, P.E., Permit Engineer, of my staff at (501) 682-0612 or by email at reiber@adeq.state.ar.us.

Sincerely,
