ENERGY & ENVIRONMENT

MEETING ATTENDANCE

DATE: January 18, 2023

FACILITY: El Dorado Chemical Company

Name	Organization	E-Mail Address	Telephone Number
Bryan Leamons	DEQ	Bryan.Leamons@adeq.state.ar.us	501-683-5406
Shane Byrum	DEQ	Shane.Byrum@adeq.state.ar.us	501-682-0618
Shon Simpson	GBMc	ssimpson@gbmcassoc.com	501-847-7077
Charles McDowell	EDCC	CMcDowell@lsbindustries.com	870-863-1403

REMARKS:

- Discussed flow study performed from April 2018 to June 2021.
- GBMc will submit an updated flow study report that better explains the selection of the daily flows comprising the flow events used for flow event ratio calculations, and more explanation of the reasoning behind using background flow on the day after outfall flow stopped.
