RE: NPDES Permit No. AR0001210, AFIN 02-00013  
Georgia-Pacific LLC, Chemical Plant Pond Closure Certification

Dear Mr. Robbins:

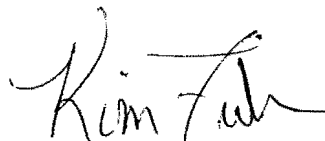

The Department has reviewed the Pond Closure Certification dated April 7, 2014. A letter from the Department dated July 16, 2013, approved the Pond Closure Plan and required the submittal of a closure certification by Georgia-Pacific LLC's consultant verifying that the pond has been closed with all waste disposed of in accordance with the approved Pond Closure Plan.

The Department has no comments on or objections to the April 7<sup>th</sup> submittal. If you have any questions, please contact me at [reiber@adeq.state.ar.us](mailto:reiber@adeq.state.ar.us) or by phone at (501) 682-0612.

Sincerely,
