

Cooling Water Intake Certification

In accordance with the requirements of Section 316(b) of the Clean Water Act, I hereby certify that less than 10% of the total surface water used at the Georgia-Pacific Crossett LLC facility, Crossett Paper Operations, is used as once through cooling water.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
