Ms. Carstens,  
Biologists with the Arkansas Game and Fish Commission (AGFC) have reviewed the National Pollutant Discharge Elimination System permit renewal (Permit AR0001210, AFIN 02-00013) for the Georgia-Pacific Crossett LLC, Crossett Paper Operations, located in Ashley County, Arkansas. Based on a desktop level review of the permit renewal and associated documentation, the AGFC has no site-specific comments or concerns with this permit. The AGFC appreciates the opportunity to review this permit. Please don't hesitate to contact me if you have any questions or if I can be of further assistance.

Thanks,
