RE: NPDES Permit No. AR0001210, AFIN: 02-00013
Crosset Paper Operations

Dear Mr. Hohnadel:

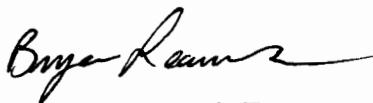

This letter is written in response to the submittal of a Permit Transfer Form. It is understood that the Facility Name is changing from Georgia-Pacific Crossett LLC – Crossett Paper Operations to Georgia-Pacific Consumer Operations LLC – Crossett Paper Operations. The facility is currently covered under the NPDES Individual Discharge Permit Number AR0001210. It is the Department's understanding that this request is for a change in the Facility Name only and not an Ownership Change.

All pertinent information has been updated in the Department's records. However, since NPDES Permit No. AR0001210 is currently administratively continued, the permit cannot be modified to reflect the new name. When the renewal permit is issued, it will contain the new name.

As of December 21, 2016, Discharge Monitoring Reports (DMRs) must be submitted electronically using NetDMR, in accordance with 40 CFR 127.11(a)(1) and 40 CFR 127.16(a). New signatory authorities must request access for a NetDMR account. Please contact the Water Enforcement Branch at (501) 682-0624 with questions regarding NetDMR.

If you have any questions concerning this matter or need additional information, please feel free to contact the NPDES Permits Section at (501) 682-0623.

Sincerely,

Bryan Leamons, P.E.
