RE: Request for Notification of Draft Permitting Decision on Georgia-Pacific NPDES Permit Renewal

Dear Reiber:

The Ouachita Riverkeeper, Inc. has an interest in Georgia-Pacific LLC: Crossett Paper Operations NPDES Permit # AR0001210 renewal application and would like to receive notification of the Department's draft permitting decision on this application. Please send a notification of the Department's draft permitting decision to me as counsel for Ouachita Riverkeeper at my address below.

If for any reason the Department cannot send this notification to me, please let me know. I understand that the notice will be in the newspaper for one day but that notification could be missed which is why I am requesting personal notification given my client's interest in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Corinne Van Dalen'.
