RE: Permit # AR0020036

Dear Mr. Nanneman:

This letter is to inform you that on April 25, 2011 we received approximately 12-15 inches of rain and in turn caused a hydraulic overload on our clarifier for approximately 6 hours. This is a follow-up letter per our conversation on Tuesday, April 26, 2011.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Coy Dale', is written over the word 'Sincerely,'.

Coy Dale
Water Superintendent
