PUBLIC NOTICE OF DRAFT DISCHARGE PERMIT AND 208 Plan

PERMIT NUMBER AR0020036, AFIN 33-00026

SEP 24 2010

111

This is to give notice that the Permits Branch of the Water Division of the Arkansas Department of Environmental Quality (ADEQ), 5301 Northshore Drive, North Little Rock, Arkansas 72118-5317 at telephone number (501) 682-0612, proposes a draft renewal of the permit for which an application was received on 3/11/2010 for the following applicant under the National Pollutant Discharge Elimination System (NPDES) and the Arkansas Water and Air Pollution Control Act.

Applicant: City of Melbourne, Highway 9 Spur, Melbourne, AR 72556. Location: from the intersection of AR Hwy. 69 and AR Hwy. 9, south on AR Hwy. 9 (Main Street) for 0.25 miles, then right (west) on AR Hwy. 9s (Circle Drive) for 0.3 miles, AR Hwy. 9s turns left, continue straight for 0.6 miles to the end of the gravel road, facility is at the end; Latitude: 36° 03' 33.23" N; Longitude: 91° 55' 34.07" W in IZARD County, Arkansas. The discharge of treated municipal wastewater is into Mill Creek, then to Piney Creek, then to the White River in Segment 4F of the White River Basin.

The 208 Plan, developed by the ADEQ under provisions of Section 208 of the federal Clean Water Act, is a comprehensive program to work toward achieving federal water goals in Arkansas. The initial 208 Plan, adopted in 1979, provides for annual updates, but can be revised more often if necessary. Updates to the 208 Plan have been proposed to add Ammonia-Nitrogen limits of 10.3 mg/l (November through March) and 3.9 mg/l (April through October) to the existing water quality limitations.

ADEQ's contact person for submitting written comments, requesting information regarding the draft permit, or obtaining copy of the permit and the Statement of Basis is Mark Fredricks, P.E., at the above address and telephone number or by email at Water-Draft-Permit-Comment@adeq.state.ar.us. For those with Internet access, a copy of the proposed draft permit may be found on the ADEQ's website at: http://www.adeq.state.ar.us/water/branch_permits/individual_permits/pn_permits/pnpermits.asp.

The last day of the comment period is 30 days after the publication date. If the last day of the comment period is a Saturday, Sunday or legal holiday, the public comment period shall expire on the next day that is not a Saturday, Sunday or legal holiday. For information regarding the actual publication date along with the actual date and time the comment period will end, please contact Mark Fredricks, P.E. at the above address and telephone number or by email at Water-Draft-Permit-Comment@adeq.state.ar.us. The permit will become effective approximately two weeks after the close of the comment period unless comments are received and/or a public hearing is requested prior to the close of the comment period requiring a delay of the effective date. Comments and public hearing procedures may be found at 40 CFR Parts 124.10 through 124.12 and APCEC Regulation No. 8. All persons, including the permittee, who wish to comment on ADEQ's draft permitting decision, must submit written comments to ADEQ, along with their name and mailing address. After the public comment period, and public hearing, if one is held, ADEQ will issue a final permitting decision. A Public Hearing will be held when ADEQ finds a significant degree of public interest. ADEQ will notify the applicant and each person who has submitted written comments or requested notice of the final permitting decision. Any interested person who has submitted comments may appeal a final decision by ADEQ in accordance with the APCEC Regulation No. 8 (Administrative Procedures).
