Public Notice of Application
NPDES Permit Modification AR0020117 and State Construction Permit AR0020117C

Under the provisions of Act 163 of the 1993 Arkansas Legislature, this is to give notice the Office of Water Quality of Arkansas Energy & Environment – Division of Environmental Quality received an application on May 17, 2021, with additional information received May 19, 2021, for the modification of NPDES Permit AR0020117 and State Construction Permit No. AR0020117C from the following facility:

City of Mountain View
P.O. Box 360
Mountain View, AR 72560

The application has been deemed administratively complete and is undergoing technical review by the Office of Water Quality for compliance with State and Federal regulations. The facility under consideration is located as follows: 340 Westwood Ave., Mountain View, in Stone County, Arkansas.

Proposed Construction will include rehabilitation of the existing headworks basket screen, oxidation ditch, final clarifier, and UV disinfection system. In addition, a redundant final

clarifier, along with installation of launder covers on the existing clarifier, and UV channel covers on the UV structure is planned for construction. The existing treatment system is screening, oxidation ditch, secondary clarifier, and UV disinfection. The design flow is being increased from 0.73 MGD to 0.95 MGD.

Interested persons desiring to request a public hearing on the application may do so in writing. The Division shall have the discretion to decide whether to hold a public hearing, unless otherwise required by law or regulation. If a hearing is scheduled, adequate public notice will be given in this newspaper. All requests shall be submitted in writing and must include the reasons for the necessity of a public hearing. All requests should be received by DEQ within 10 business days of the date of this notice and should be submitted to:
